

Workshop 3 Policy and regulation

- Short presentations
 - On which level are decisions made – the influence of the regional and local level
 - How is the dialogue between the levels
- Is the solution lying in desentralization?
 - Decentralizing without money does not work
 - Some regions don't have the people

Workshop 3 Policy and regulation

- Partnership – a way to go?
 - The french example may show a way
 - Process initiated by the local/regional level
 - National framework
- The role of conservation organizations
 - From very strong lobby to politicians having their feet planted in reality
- The role of supra national directives/rules/laws
